

Asim Ur Rahman

PhD Scholar | Optical Science and Engineering
Zhejiang University, China

Asim Ur Rahman is currently pursuing his PhD degree at Zhejiang University, China, in Optical Science and Engineering. Under the guidance of Professor Qaisar Abbas Naqvi, he completed his master degree in Electronics from Quaid-i-Azam University, Islamabad in 2022. He obtained a bachelor's degree in Physics from Bahuddin Zakariya University, Multan in 2020.

- He has been a member of Driven to Discover Society (D2D) from 2018 to 2020
- He has worked on a project with the International Research Centre for Advance Photonics, China, from April 2023 to September 2023
- He has published a paper in a prestigious journal. He is currently working on Nanoscale Thermal Radiation
- His research interests includes Plasmonics, Nano Photonics, Thermal Radiations, 2D Materials, Absorbers
